Cross the wooden bridge over the Eschenbach stream and you'll enter our romantic chapel courtyard.

At its heart is the heritage-listed Baroque Chapel, built in 1677 by Abraham Zillner von Zillerberg in honour of Saint Joseph.

The Catholic chapel seats up to 40 guests and may also be used for ecumenical and non-Christian ceremonies. Together with the mirror-image Old Parish House built in 1712, it creates an exceptional backdrop for your wedding.

The three bright and historic salons of the Eschenbach Restaurant, with parquet flooring and stylish interiors, along with our Verona event space, can be tailored to your wishes – making your celebration truly unforgettable.

The spacious Eschenbach terrace and our hotel park offer a beautiful setting for your reception and wedding photos. For a dream wedding come true, you could even exchange vows in the park – romantic suite included.

Put yourself in the capable hands of our experienced and creative team – we will support you every step of the way, while our chef de cuisine treats you to a bespoke menu or buffet just as you like it.

SALON FREISAAL

Located in the historic wing of the hotel, the main room of the Eschenbach Restaurant offers a wonderful setting for your wedding. Large windows bathe the space in light, while the elegant parquet floor invites guest to dance.

TERRACE

From the Eschenbach Restaurant, step straight onto our sunny terrace set in the peaceful hotel park. Surrounded by greenery, this is where wedding dreams come true in fine weather. The park makes a romantic backdrop for your wedding photos.

SALIERI RESTAURANT

Celebrate your wedding with up to 30 guests in our Salieri – The Restaurant. Historic features such as a 17th-century brick floor and a tiled stove bearing the Zillner family crest add distinctive character to the venue.

SALON HERRNAU & NONNTAL

Each of these salons accommodates up to 25 guests. The elegant setting, complete with historical chandelier, is ideal for a small-scale celebration. Large French windows let in plenty of daylight and lead directly onto the terrace.

VERONA

Our modern Verona event space is perfect for celebrations of up to 120 guests. Olivewood panelling and a warm colour palette lend the space a hint of Italian flair. The spacious foyer may be used as an exclusive reception and bar area. Verona can also be equipped with a screen, stage and dance floor to suit your celebration.
