ARCOTEL Donauzentrum Vienna – Shop til you drop and then chill out

I want everything right now: city center, life, shopping, entertainment and culture. Water, peace, sun and nature. The ARCOTEL Donauzentrum is an integral part of Vienna's largest shopping and entertainment center - the Donau Zentrum in the heart of Vienna's 22nd district. The ARCOTEL Donauzentrum offers an oasis of calm in the district, which is not only the second largest, but also the fastest growing.

This is reflected in the design: the hotel is a retreat that addresses the Danube. Water purges over pebbles, seagulls roam the meadows, oval shapes calm and provide a safe feeling. The colours green and yellow are reminiscent of nature around the Danube and the sun. The rooms, meeting rooms and lounge invite you to chill, relax, hang out or network. The interior design is once again the responsibility of the Viennese visual artist, industrial designer and architect Prof. Harald Schreiber.

Bad weather does not matter at the ARCOTEL Donauzentrum. Shopping - but not only that: countless shops and the entertainment program of Donau Plex with cinema, food court, disco and fitness await you on 130,000 m². The 13 fully digitized rooms offer 3-D technology, IMAX cinema, Dolby Atmos sound technology and state-of-the-art D-Box motion seats. Dozens of restaurants, cafés and eateries invite you to relax and there's something for everyone: fast food and burger bars, restaurants serving Italian, Asian and traditional local cuisine, and cafes.

Watch more than 60 TV channels and your own Netflix or Amazon Prime account on the big screen. Watching your favorite series while traveling exactly where you left off at home - that does not have to happen on a small phone or tablet. Mirror your mobile device on the large 40-inch panoramic TV. Whether IOS / OS, Android or Windows 10, all operating systems can connect wirelessly to the Smart TV and show movies, presentations or photos. Log in to the superfast hotel Wi-Fi and the Smart TV in the room recognizes the devices in the immediate vicinity - thanks to Apple Airplay[®] and Miracast[®]. Available for smartphones, tablets, laptops and all devices with Airplay[®] or Miracast support.

Press conference or workshop, private conversation or pop-up store, business pitch or employee training - new insights and quirky views are included in the conference rooms at the ARCOTEL Donauzentrum. Glass portals and roof windows provide plenty of light and space with a view over the city and the Danube.

Hotel shop - from snacks to merchandise, there's (almost) everything here. In the lobby shop, you will find various salty and sweet snacks, as well as alcoholic and non-alcoholic drinks around the clock. Tea and water are free for all hotel guests around the clock.

Start your day off right! The breakfast in the Livingroom offers mainly regional and high-quality products - because a healthy breakfast is our priority. Homemade granola, homemade fresh pancakes and a cup of coffee or tea - that's how a beautiful day begins.

Whether in real life in the seating group or online: The exchange with the community is possible in the large lounge and bar area. Work or life, with super fast internet, can take place from video conference to movie streaming.
